Our responsibility is to issue a report on these financial statements based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited to making inquiries of financial information, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing Regulations, including the manner in which it is to be disclosed or that it contains any material misstatement.

We draw attention to Note no 9 to the Unaudited financial results, the Company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss/net cash loss during the current quarter and previous year(s). These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the Unaudited financial results of the Company have been prepared on a going concern basis in view of continuing financial support from its holding company and the Company's current assets exceeded its current liabilities as at June 30,2024.
