Independent Auditor's Review Report for the quarter and half year ended on September 30, 2024 on the Unaudited Financial Results of the Parsvnath Landmark Developers Private Limited pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**TO THE BOARD OF DIRECTORS OF
Parsvnath Landmark Developers Private Limited**

1. We have reviewed the accompanying statement of unaudited financial results of **Parsvnath Landmark Developers Private Limited ('the Company')** for the quarter ended on September 30, 2024 and year to date results for the period from 1 April, 2024 to September 30, 2024 (the "financial results"), being submitted by the Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited to making inquiries of financial information, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention except for the indeterminate effects of the matters stated in paragraph 5 below that causes us to believe that the accompanying statement of unaudited financial results read with notes thereon and para 6 & 7 below, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **Basis of Qualified Conclusion**
 - (a) We draw your attention to note no. 18 to the financial results, the Company has not accounted income tax demand (excluding interest) of Rs. 974.58 Lakhs dated 13.03.2020 for the assessment year 2014-15 and the company has filed an appeal against such demand to appropriate authorities as per Income tax Act, 1961 against such demand on 05.06.2020, the management is of the opinion that this liability will not be crystallised against the company.

However, we have not been provided sufficient and appropriate audit evidence to support the follow up done by the management considering refunds due to company by the income tax authority of Rs. 37.92 Lakhs in subsequent years has been adjusted against the abovementioned demand, therefore, we are unable to comment on the final outcome and resultant impact of the same on these unaudited financial results.

- b) The National Consumer Disputes Redressal Commission (NCDRC) vide its interim order passed on 19 July 2015 in connection with a complaint filed by Resident Welfare Association (RWA/LTRA) for delay in handing over of possession of La-Tropicana project, had given interim relief to complainants by way of compensation as agreed in the flat buyer agreement. The company had paid the compensation in accordance with the interim order and the amount paid was charged to the statement of profit and loss during the financial year 2017-18. During the course of hearing on 21 December 2018, the Hon'ble Commission suggested that the parties should try to amicably resolve the dispute. On 30th April 2019 a Memorandum of Understanding (MOU) was signed with the RWA to settle the matter and was taken on record by the NCDRC in its final order dated 30th April 2019. Due to delay in compliance of the terms, the LTRA filed an execution which was settled in terms of the Amendment Agreement dated 27.10.2020 executed between RWA and Company and the same was duly recorded by the NCDRC in its order dated 28.10.2020. Thereafter the parties filed before the NCDRC terms of Settlement on 16.02.2022 and the matter was disposed off in terms of the Settlement terms by the NCDRC. Subsequently LTRA has filed the execution whereas another terms were settled vide proposal dated 27.12.2022. Now LTRA filed another execution due to non-compliance of the MOU, Amendment Agreement, Settlement and Proposal stating that the company has failed to honour the terms of the settlement i.e., and is claiming approximately a sum of Rs. 207,53,20,284/-. The Company have rebutted the claims and mentioned that LTRA has also failed to comply with the terms of the settlement as they are not clearing the outstanding dues. The NCDRC has directed the Company to file affidavit giving details of the bank accounts, properties and assets. The matter is listed on 28.08.2024 before NCDRC. In the meanwhile , LTRA has approached to Hon'ble Delhi High Court for execution of the above and the company has deposited Rs. 2250 lakhs till date and is of the opinion that the same shall be released for utilization in construction activities. The next date of hearing is 18.11.2024. However, company has not made any provision as the company believes that this amount would be recovered. Considering various uncertainties, we are not in a position to comment on the resultant impact of the above on these unaudited financial results.
- c) Real Estate Regulatory Authority (RERA) has issued various recovery certificates against the complaints filed by various customers, the company has not made provision for compensation payable to customers and of the opinion that the compensation would not be payable on mutual settlement with customers. Considering various uncertainties, we are not in a position to comment on the resultant impact of the above on these unaudited financial results.

6. Emphasis of Matters Paragraph

- (i) Attention to Note no. 8 to the financial results, the company has recognized cumulative Deferred Tax Assets of Rs. 980.97 lakhs till September 30, 2024. Based on the Management assumption and future business plan, management is certain about realization of these assets in coming years.
- (ii) Attention to Note no. 17 to the financial results, the GST Registration of the company is suspended by GST Department due to non-payment of GST Dues, the management is of opinion that there would not be any effect as the liability on account of GST is completely recorded in these financial results.

Our conclusion is not modified in respect of these matters.

7. Material Uncertainty Related to Going Concern

We draw attention to Note no 14 to the financial results, the Company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss/net cash loss during the current quarter and previous year(s). The Company's current liabilities exceeded its current Assets as at 30th September 2024. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial results of the Company have been prepared on a going concern basis in view of continuing financial support from its lenders and its holding company.

Our conclusion is not modified in respect of above matter.

8. Other Matters

The statement includes the figure of the quarter ended September 30, 2024 of the financial results represents balancing figures derived by deducting the reviewed figures year to date figures for the period six month ended on September 30, 2024 and year to date figures upto the end of quarter ended June 30, 2024.

Our conclusion is not modified in respect of this matter.
